D-erythro-MAPP

CAS Registry No.: 143492-38-0
Formal Name: N-[(1R,2S)-2-hydroxy-1-methyl-2-phenylethyl]tetradecanamide
Synonym: 1S,2R-D-erythro-2-(N-myristoylamino)-1-phenyl-1-propanol
MF: C23H29NO2
FW: 361.6
Purity: ≥98%
Stability: ≥1 year at -20°C
Supplied as: A crystalline solid

Laboratory Procedures

For long term storage, we suggest that D-erythro-MAPP be stored as supplied at -20°C. It should be stable for at least one year.

D-erythro-MAPP is supplied as a crystalline solid. A stock solution may be made by dissolving the D-erythro-MAPP in an organic solvent purged with an inert gas. D-erythro-MAPP is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF). The solubility of D-erythro-MAPP in these solvents is approximately 0.1 mg/ml in DMSO and 20 mg/ml in ethanol and DMF.

D-erythro-MAPP is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, D-erythro-MAPP should first be dissolved in ethanol and then diluted with the aqueous buffer of choice. D-erythro-MAPP has a solubility of approximately 0.5 mg/ml in a 1:2 solution of ethanol:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

D-erythro-MAPP is an analog of ceramide that suppresses growth of HL-60 cancer cells in culture. D-erythro-MAPP inhibits alkaline ceramidase with an IC₅₀ of approximately 5 µM. Treatment of cultured cells with D-erythro-MAPP elevates the levels of endogenous ceramide, resulting in growth suppression and G₀/G₁ cell cycle arrest.

WARNING: THIS PRODUCT IS FOR LABORATORY RESEARCH ONLY: NOT FOR ADMINISTRATION TO HUMANS. NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA
This material should be considered hazardous until information to the contrary becomes available. Do not ingest, swallow, or inhale. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. This information contains some, but not all, of the information required for the safe and proper use of this material. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY
Cayman Chemical Company makes no warranty or guarantee of any kind, whether written or oral, expressed or implied, including without limitation, any warranty of fitness for a particular purpose, suitability and merchantability, which extends beyond the description of the chemicals herewith. Cayman warrants only to the original customer that the material will meet our specifications at the time of delivery. Cayman will carry out its delivery obligations with due care and skill. Thus, in no event will Cayman have any obligation or liability, whether in tort (including negligence) or in contract, for any direct, indirect, incidental or consequential damages, even if Cayman is informed about their possible existence.

The limitation of liability does not apply in the case of intentional acts or negligence of Cayman, its directors or its employees. Cayman’s sole liability hereunder shall be limited to a refund of the purchase price, or at Cayman’s option, the replacement at no cost to Buyer, of all material that does not meet our specifications.

Buyer’s exclusive remedy and Cayman’s sole liability hereunder shall be limited to a refund of the purchase price, or at Cayman’s option, the replacement at no cost to Buyer, of all material that does not meet our specifications.

For further details, please refer to our Warranty and Limitation of Remedy located on our website and in our catalog.
