

LETTER OF ASSURANCE

Date: (例 : 26/08/2011)

From: (例 : 大学 学部 フナコシ タロウ教授の場合)
Taro Funakoshi
2-9-7 Hongo, Bunkyo, Tokyo 113-0033, Japan
Department of , University

To: Thermo Fisher Scientific Inc.
Biosciences Division
2650 Crescent Drive
Suite 100
Lafayette, CO 80026
ATTN: General Counsel
("Thermo Fisher")

Subject: Customer Certification and Letter of Assurance

Customer, by signing this Letter of Assurance, acknowledges, represents, warrants and certifies that Thermo Fisher Scientific's **gene silencing (including RNAi) and gene expression vectors** ("Vector Products"), produced or supplied by its subsidiaries, including Open Biosystems, Inc. and Dharmacon, Inc., **will be used solely for Customer's own internal research purposes** and only by scientists and researchers located within Customer physical facilities at the address above ("Customer Facilities"). Customer also represents, warrants and certifies that Vector Products will not be replicated in part or in whole for the purposes of Vector Product transfer to any other party.

Additionally, Customer, at all times:

- will use the Vector Products in conformance with the label licenses provided with the Vector Products, or available on Thermo Fisher's website;
- will not use the Vector Products to provide products or services for third parties outside of the Customer Institution, and
- will not transfer any Vector Products to any recipient outside the Customer Facilities for any reason.

If changes to this Letter of Assurance are necessary, Customer will contact Thermo Fisher for approval. Customer will sign two copies of this letter. Customer will send one copy with original signature to Thermo Fisher Scientific General Counsel at the address above and keep one copy for Customer files.
