

## F(ab')2 Fragment of Goat anti-Human IgG [H&] -FITC-

Alternate names: Human Immunoglobulin G

Catalog No.: R1396F Quantity: 1 mg

**Concentration:** 1.0 mg/ml (by UV absorbance at 280 nm)

Host: Goat

Immunogen: Human IgG whole molecule.

Format: State: Lyophilized F(ab')2 fragments.

Purification: Immunoaffinity chromatography.

**Buffer System:** 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2, containing 0.01% (w/v) Sodium Azide as preservative and 10 mg/ml Bovine Serum Albumin (BSA) as

stabilizer, IgG and Protease free.

Label: FITC – (Fluorescein isothiocyanate, (Molecular Weight 390 daltons)

Absorption / Emission: 495 nm / 528 nm

**Reconstitution:** Restore with 1.0 ml of deionized water (or equivalent).

Applications: Suitable for Immunomicroscopy and Flow cytometry or FACS analysis as well as other

antibody basedfluorescent assays requiring extremely low background levels, absence of

F(c) mediated binding, lot-to-lot consistency, hightiter and specificity.

Other applications not tested. Optimal dilutions are dependent on conditions and should

be determined by the user.

**Specificity:** This product was prepared from monospecific antiserum by Immunoaffinity

chromatography using Human IgG coupled to agarose beads followed by solid phase adsorption(s) to remove any unwanted reactivities, pepsin digestion and chromatographic

separation.

Assay by Immuno-electrophoresis resulted in a single precipitin arc against anti-Biotin,

anti-Goat Serum, Human IgG and Human Serum.

No reaction was observed against anti-Pepsin, anti-Goat IgG F(c) or Bovine, Horse, Mouse,

Rabbit, Rat and Sheep Serum Protein

Storage: Store vial at 4°C prior to restoration. For extended storage add glycerol to 50% and then

aliquot contents and freeze at -20°C or below. Centrifuge product if not completely clear

after standing at room temperature.

This antibody is stable for one month at 4°C as an undiluted liquid.

Dilute only prior to immediate use. Avoid repeated freezing and thawing. Shelf life: One year from despatch.
