

Monoclonal Antibody to CD29 / Integrin beta-1 - PE

Alternate names: FNRB, Fibronectin receptor subunit beta, ITGB1, Integrin VLA-4 subunit beta, MDF2, MSK12

Catalog No.: SM2210RT Quantity: 25 Tests

Background: CD29 is a 110KD cell surface glycoprotein that is widely expressed by a variety of cells

including all leucocytes. CD29 forms non-covalent bonds with the integrin alpha subunits, including CD51 and CD49a-f, to form heterodimers. The ligands for these heterodimers include collagen, fibronectin, laminin and vascular adhesion molecule-1. In the immune system beta 1 integrins play an important role in cell adhesion, migration, activation and

differentiation.

Uniprot ID: P09055

NCBI: NP 034708.1

GeneID: <u>16412</u>

Host / Isotype: Hamster / IgG Clone: HM beta 1-1

Immunogen: Purified mouse VLA-4 antigen.

Spleen cells from immunised Armenian hamsters were fused with cells of the P3U1 mouse

myeloma cell line.

Format: State: Lyophilized purified IgG fraction.

Purification: Affinity Chromatography on Protein G.

Buffer System: PBS, pH 7.4 containing 0.09% Sodium Azide as preservative and 1% BSA as

stabilizer.

Label: PE – R. Phycoerythrin (RPE)

Reconstitution: Restore with 0.25 ml distilled water.

Applications: Flow Cytometry: Use 10 μl of neat-1/5 diluted antibody to label 10e6 cells in 100 μl. The Fc

region of monoclonal antibodies may bind non-specifically to cells expressing low affinity

Fc receptors.

Other applications not tested. Optimal dilutions are dependent on conditions and should

be determined by the user.

Specificity: This antibody recognizes the Integrin beta 1 subunit (CD29).

Clone HM beta 1.1 is reported to inhibit beta 1 integrin mediated adhesion. (Ref.1)

We recommend the use of SM2210LE for this purpose.

Species: Mouse.

Other species not tested.

SM2210RT: Monoclonal Antibody to CD29 / Integrin beta-1 - PE

Storage:

Store the antibody undiluted Prior to and Following Reconstitution at 2-8°C.

DO NOT FREEZE!

This product is photosensitive and should be protected from light.

Shelf life: one year from despatch.
