

## SPECIFICATION

### 3-Dodecylthiophene

|                   |                 |
|-------------------|-----------------|
| Product Code:     | FD02067         |
| CAS Number:       | 104934-52-3     |
| Chemical Formula: | $C_{16}H_{28}S$ |
| Molecular Weight: | 252.46          |

## TECHNICAL SPECIFICATION

|              |                                  |
|--------------|----------------------------------|
| Appearance:  | Colourless to pale yellow liquid |
| Purity (GC): | min 97%                          |
