

| from internal région of human TCHP.     Specificity:   Human TCHP     Epitope:   aa306-370     Reactivity:   Human     Purification:   Affinity purified     Presentation:   PBS, pH 7.2, 0.09% sodium azide.     Recommended Storage:   May be stored at 4°C for short-term only. Aliquot to avoid repeated freezing and thawing. Store at -20°C. Aliquots are stable for 6 months.     Usage Summary:   The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested.  | CatalogID:           | LS-C271213  |
