

Product datasheet for **GE100077**

pCas-Guide-GFP-CRISPRa-Scramble

Product data:

- Product Type:** CRISPR Vectors
- Function:** CRISPRa scramble control vector with GFP reporter
- Features:**
- Scramble control vector for CRISPRa CRISPR/Cas9 gene activation
 - All-in-one vector, expresses scrambled gRNA, dCas9-VP64 and tGFP reporter protein
- Disclaimer:** These products are manufactured and supplied by OriGene under license from ERS.
