# Mouse CD3 PerCP-conjugated Antibody

Monoclonal Rat IgG<sub>2B</sub> Clone # 17A2 Catalog Number: FAB4841C 100 TESTS, 25 TESTS

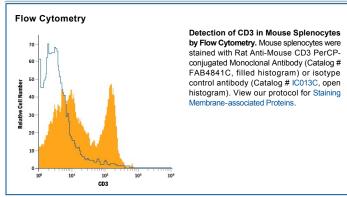

| DESCRIPTION        |   |  |  |
|--------------------|---|--|--|
| Species Reactivity | Mouse   |  |  |
| Specificity        | Reacts with mouse TCR-associated CD3 complex that occurs on thymocytes and mature T cells.  |  |  |
| Source             | Monoclonal Rat IgG <sub>2B</sub> Clone # 17A2   |  |  |
| Purification       | Protein A or G purified from hybridoma culture supernatant  |  |  |
| Immunogen          | T cell hybridoma D1   |  |  |
| Conjugate          | PerCP (Peridinin-chlorophyll Protein Complex) Excitation Wavelength: 482 and 564 nm Emission Wavelength: 675 nm   |  |  |
| Formulation        | Supplied in a saline solution containing BSA and Sodium Azide. See Certificate of Analysis for details.   |  |  |
|                    | *Contains <0.1% Sodium Azide, which is not hazardous at this concentration according to GHS classifications. Refer to the Safety Data Sheet (SDS) for additional information and handling instructions. |  |  |

#### **APPLICATIONS**

Please Note: Optimal dilutions should be determined by each laboratory for each application. General Protocols are available in the Technical Information section on our website.

|                | Recommended<br>Concentration | Sample    |
|----------------|------------------------------|-----------|
| Flow Cytometry | 10 μL/10 <sup>6</sup> cells  | See Below |

### DATA

#### PREPARATION AND STORAGE

Shipping The product is shipped with polar packs. Upon receipt, store it immediately at the temperature recommended below.

Stability & Storage

Protect from light. Do not freeze.

12 months from date of receipt, 2 to 8 °C as supplied.

## BACKGROUND

Monoclonal 17A2 was generated by immunizing rats with a T-cell hybridoma (1). This antibody has been shown to react with the epsilon chain of the CD3 complex (1). The CD3 protein complex is expressed on thymocytes and mature T-cells and, therefore, is a useful reagent to monitor T-cell frequencies in tissues.
