## SSB Antibody

Catalog No: #37254

Orders: order@signalwayantibody.com Support: tech@signalwayantibody.com

$\overline{}$		4.0	
	escri	nt	n.
$\boldsymbol{L}$	COUL	υu	ULL

Product Name	SSB Antibody
Host Species	Rabbit
Clonality	Polyclonal
Purification	Antigen affinity purification.
Applications	IHC
Species Reactivity	Hu Ms Rt
Specificity	The antibody detects endogenous levels of total SSB protein.
Immunogen Type	Peptide
Immunogen Description	Synthetic peptide corresponding to a region derived from internal residues of human Sjogren syndrome
Immunogen Description	Synthetic peptide corresponding to a region derived from internal residues of human Sjogren syndrome antigen B (autoantigen La)
Target Name	
	antigen B (autoantigen La)
Target Name	antigen B (autoantigen La) SSB
Target Name Other Names	antigen B (autoantigen La) SSB La; LARP3
Target Name Other Names Accession No.	antigen B (autoantigen La)  SSB  La; LARP3  Swiss-Prot#: P05455NCBI Gene ID: 6741Gene Accssion: NP_003133.1
Target Name Other Names Accession No. Concentration	antigen B (autoantigen La)  SSB  La; LARP3  Swiss-Prot#: P05455NCBI Gene ID: 6741Gene Accssion: NP_003133.1  0.6mg/ml

## Application Details

Immunohistochemistry: 1:25-1:100

## **Images**

Immunohistochemical analysis of paraffin-embedded Human colon cancer tissue using #37254 at dilution 1/20.

Immunohistochemical analysis of paraffin-embedded Human ovarian cancer tissue using #37254 at dilution 1/20.

## Background

The protein encoded by this gene is involved in diverse aspects of RNA metabolism, including binding and protecting poly(U) termini of nascent RNA polymerase III transcripts from exonuclease digestion, processing 5' and 3' ends of pre-tRNA precursors, acting as an RNA chaperone, and binding viral RNAs associated with hepatitis C virus. Autoantibodies reacting with this protein are found in the sera of patients with Sjogren syndrome and systemic lupus erythematosus.

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
