Dear Potential Buyer,

All sales of APT-001 by RayBiotech Life, Inc. and its affiliates, subsidiaries, and distributors (collectively
"RayBiotech") to, its affiliates,
subsidiaries, distributors and their customers, and authorized third parties ("Buyer") are made subject to
the following terms and conditions found herein ("Terms"). RayBiotech expressly rejects and different
or additional Terms contained in any document submitted by Buyer. RayBiotech's provision of credit,
acceptance of any purchase order and/or sale of any goods are expressly made conditional on Buyer's
assent to these Terms. Terms contained in any document issued by Buyer that in any manner purport to
alter, modify, change, suspend, or add to any term or condition contained herein shall be deemed
excluded from such Buyer document and waived by Buyer.

Specifically contained within the Terms herein is the Limited Use Label License and to be applied to Buyer's purchases:

The purchase of this product conveys to the buyer the non-transferable right to use the purchased amount of the product and components of the product in research conducted by the Buyer (whether the Buyer is an academic or for-profit entity). The Buyer cannot sell or otherwise transfer;

- this product
- it's components, or
- materials made using this product or its components

to a third part or otherwise use this product or its components or materials made using this product or its components for commercial purposes.

The Buyer is strictly prohibited from using, studying, or analyzing any product or portion thereof to learn the respective design, construction, composition, operation, or to reverse engineer, produce a copy, or produce an improved version of the product or a functionally similar material or product.

The Buyer may transfer information or materials made through the use of this product to a scientific collaborator, provided that such transfer is not for any Commercial Purpose, and that such collaborator agrees in writing;

- not to transfer such material or product to any third party
- to use such transferred materials and/or information solely for research and not for Commercial Purposes.

Commercial Purposes means any activity by a part for consideration and may include, but is not limited to:

- use of the product or it's components in manufacturing;
- use of the product or its components in reverse engineering functionally similar materials;
- use of the product or its components in to provide a service, information, or data;
- use of the product or its components for therapeutic, diagnostic, or prophylactic purposes; or
- resale of the product or its components, whether or not such product or its components are resold for use in research.
